### Welcome to MaryLou's.

Marylou's takes pride in the fact that all of our salad sandwiches are made fresh daily. We have been told we have the "best chicken salad ever", but don't let that change your mind if you were looking forward to homemade egg salad, tuna salad or pimento cheese.

Our recipes are handed down from my mother, Mary Louise, which is where our name MaryLou's comes from. We also slice our own turkey, ham and roast beef to ensure you are getting the freshest food possible.

Thanks for having lunch with us.
